Jodi
Picoult
Why Not Try...**

Long Island born Jodi Picoult is one of the most popular authors around. Her novels of ordinary people thrown into extraordinary circumstances are always big sellers. Picoult's novels are those of families, relationships and newsworthy controversies. She presents both side of controversial issues and gives readers sympathetic characters on both sides. Any of Jodi Picoult's books could convince you that all those it could never happen to us situations could happen to just about anyone.
